

Epiphany Catholic School Explorers Club

Kayaking
Camping
Hiking
Swimming
Fishing
Biking
And MORE!

The Explorers Club is an organization for families of Epiphany students to join together to share their love of the outdoors. We have at least one activity per month and you may participate as much or as little as you desire. A parent or designated guardian must attend the outings and supervise the children they bring.

The Epiphany Explorers Club focuses on safety, stewardship of the Earth and its resources, and enjoyment of the many natural wonders that North Florida has to offer. Several of the activities, including the annual Great Suwannee River Cleanup, may satisfy volunteer hour requirements for the upper grades.

Visit www.otariinae.net/Explorers to see what we have done in the past and are planning for the future.
