IMPORTANT Does your child have an allergy to nuts? _____
(Most trail snacks contain nuts)

Student Name _____ Grade _____ Age _____

Student Name _____ Grade _____ Age _____

Parents _____ Telephone _____

Cell Phones _____

Address _____

Email _____

What activities do you have an interest or skill in that you can share with the club?
(We especially need someone who fishes, and adult volunteers at the school meetings)

What equipment (boats, camping gear, fishing tackle, etc.) do you have that you would be willing to share? (We especially need canoes, kayaks, and trailers to haul them) We also need people to shuttle vehicles or drivers between starting and ending points.

What activities would you like to learn more about?

Each student needs a parent or responsible adult to accompany them on outings. Parents/adult must be approved as volunteers by Epiphany before attending outings. Contact Tonia in the office, or call her at 752-2320 to learn about becoming approved. Be sure to include the driving portion so that you can help shuttle.
